NEWS RELEASE

Rail maintenance will affect service on University of Colorado A, B and G Lines this weekend

Bus shuttles will be offered between affected stations

DENVER (June 27, 2020) – Due to maintenance, commuter rail service on the Regional Transportation District (RTD)’s University of Colorado A, B and G Lines will be affected beginning at 3:30 a.m. Saturday through the end of the service day on Sunday.

While the work takes place, the University of Colorado A Line will not run between Union Station and 38th•Blake Station. The B and G Lines will not run between Union Station and 41st•Fox Station.

Bus shuttles between stations will be provided at the following locations:

- Union Station – University of Colorado A Line: board in bus concourse at Gate B20
- Union Station – B and G Lines: board in bus concourse at Gate B
- 38th•Blake Station – University of Colorado A Line: board next to platform
- 41st•Fox Station – B and G Lines: board next to platform

Riders should plan for additional travel time between affected stations. Scheduled service on all three lines will resume at 3:15 a.m. Monday.

Passengers are required to wear face coverings when riding transit and asked to practice social distancing on trains.
ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD’s buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
